Dear Sir:

If there are any coins of the Greek city of Metapontum in the collection under your care, may I appeal to your kind offices to have a photograph of them made for me? I shall very gladly bear any expense in connection with it if you will send a memorandum with the photograph.

Tusting my request will not inconvenience you unduly, I beg to subscribe myself

Very respectfully yours,

Dear Sir:

Please accept my cordial thanks for your letter of December 22nd. I immediately communicated with Washington and have just received word that they sent you the copy of the Portraits Index which you desired. I trust that it will have been received by the time my letter arrives.

With respect to the coins of Metapontum in your collection - if it would not entail additional inconvenience on your part, I would much prefer to have plaster casts of these pieces; they travel much better than the wax impressions and, of course, are far superior to the photographs. I should prefer to have them sent by mail and addressed to the American Numismatic Society rather than to me personally as there is in this way less difficulty in having them passed through the Customs House.

Thanking you for your efforts on my behalf, and with cordial regards, I beg to subscribe myself

Very respectfully yours,

H. mio Signore,  
Ho ricevuto e gradito la Sua  
carissima lettera del 20 gennaio pro-  
scorsa passato. Fino a questo mo-  
mento non mi è pervenuto il "Bo-

mi promette. Ho speranza che l'in-  
dirò per Sua cittere e antorrore in

Sto attualmente alla formazione  
dei nostri colleghi in questo, e apprezzerei so-

Dear Sir:

I desire to thank you for the second  
consignment of casts <sup>(Metapontum)</sup> which you so kindly have  
forwarded and which reached here in good condi-  
tion.

Mr. Noe is still in Europe but is ex-  
pected back here the first week in September.  
He doubtless gave himself the pleasure of calling  
upon you some time during his stay in Italy.

Dear Dr. Zucchi:

The President of the American Numismatic Society, Mr. Edward T. Newell, is planning to be in Turin next Spring, probably during the month of March. May I ask whether the Cabinet in your charge will be open to him at that time?

Mr. Newell is planning to stop at Turin on his way north from Naples, and merely wishes to make sure that it will be convenient for you to have him call upon you then. He will write you later giving a more definite date.

Because Mr. Newell's European address is not certain, will you kindly reply to me?

Very respectfully yours,

Secretary
